# Finalists of the "III Maier S.Coop Design Competition"

01/06/2009

The technical committee appointed by the organising committee, has selected 16 finalists following the evaluation criteria as stated in the rules. - Innovation in functioning and use. - Inventiveness. - Capacity for integration within different styles of vehicle. - Technical and financial feasibility. After the selection, the Jury, made up of representatives from Design Centres, Automotive Companies, Public Institutions and Automotive Sector Designers, will select the prize winners. If you are interested, you can have a look at the finalists in the [url= http://www.maierdesign.es/en/finalistas.php][b]web of the competition. [/b][/url].
